Subject: Event Report about welcome Function of FE students on 11th Aug. 2017.

An induction programme is a significant process for bringing students into the Institute & provides an introduction to the working & curricular environment inside the institute. An induction programme is intended to invoke the student to be a all rounder, integrated member of college because we believe that it is essential to understand that how to march towards goal of becoming quality engineer. This year also, we organized Induction Programme for all FE students who got admission as a new batch on 11th Aug 2017, at Natraj open theater. Mainly students are introduced about the overall culture and code of conduct of the college.

At 10 am programme was started with dip-prajwalan and sarswati puja. Our college Principal Hon. Dr. P.D. Nemade not only explored the idea about rules and regulation of institute but also gave valuable guidance about carrier in engineering. They also shared their experiences as an IITian. Sir discussed about all facilities provided by SBPCOE such as library, Wi-Fi, landline internet, facilities in hostel and in campus. Sir appealed students to use these facilities effectively and efficiently for their academic growth and all round development. They also shared vision, mission and future planes in SBPCOE. Sir argues students to spend time of vacation in industries and enjoy whole vacation in industries. Finally sir thanks to President of college Hon. Mr. Harshwardhanji Patilsaheb, Secretary Madam Mrs. Bhagyashri Patil and trustee Miss. Ankita Patil for their continual support.

skill. He defined Engineering as, 'Application of mathematics, science, and economics. He also explored the possibilities for students to become employable after engineering as well as impact of studying engineering in personal and family life and to apply same knowledge in societal needs. In his view students are admitted in engineering for knowledge, financial security and prestige. He also suggest student to focus on fundamentals in first year, in second year he suggest to become an engineer, in third year focus on career after engineering and last year one must be ready for career by getting opportunity.

Training and placement officer Prof. V.B. Jagtap guided student about criteria of selection in various companies, also he focused how to prepare for Aptitude, GD, and interview. He informed students about the companies which conducted in campus and off campus drives for placement of SBPCOE students.

In the same function last year first three toppers Miss. Fariyal Bagwan, Miss. Sayali Gadhve and Mr. Vaibhav Jadhav was felicitated by respected Principal & chief guest by offering cash prize, trophy and certificates. We also felicitated our all subject toppers. At the end of program FE students expressed their views about college and they told that they are very happy by getting admission in SBPCOE and highly appreciate the SBPCOE family. After the first half of the programme lunch was provided to all students.

In the second half of the programme some funny games were organized for first year engineering students. In these activities all student were participate and enjoying whole session. Students were very happy for looking such type welcome function. At the end of programme Prof. Prasad Jare expressed vote thanks to those who knowingly unknowingly helped in to successfully complete this event.
