Two Days State Level Student Development Program

“Knowledge Fare”

(Striving for Educational Excellence...)

Introduction:-

S.B.Patil College of Engineering, Indapur is going to organize 2 Days State level student development program “**Knowledge Fair**”, for all Engineering and diploma Students on **04 Oct. & 05 Oct. 2019.**

Motto-

“Without Knowledge Action is Useless & Knowledge without Action is Futile.”

With this motto we are trying to spread advanced knowledge in engineering discipline to aware students with recent development, advanced research in their respective area. Also we are going to start various start-up activities during this SDP like project exhibition, Innovative idea presentation, Industry-Institute interaction etc.

Objectives of SDP:

- **Knowledge Sharing**
- **To start various Start-up activities for student development.**
- **To aware students about recent development in engineering.**
- **To promote research oriented and value based projects.**
- **To bridge gap between Industry & Academia**
