COURSES OFFERED (UG)

Sr. No.	Undergraduate Courses	Intake	Code
1	Civil Engineering	60	631919110
2	Computer Engineering	60	631924510
3	Electrical Engineering	60	631929310
4	Electronics & Telecommunication	60	631937210
5	Mechanical Engineering	60	631961210
6	Mechanical Engineering (Direct Second Year)	60	631961280

ELIGIBILITY CRITERIA

First Year Engineering

- The students who have passed HSC (STD XII) examination of Maharashtra State Board of Secondary Education or equivalent examination with Physics, Mathematics and Chemistry (Criteria may change as per DTE norms) and secured minimum 50% marks. (45% marks for Backward Class category candidates from Maharashtra only).
- For All India Seats JEE Score is Required
- MHCET Score Conducted by the competent authority of Government of Maharashtra.
- For details please refer information brochure of DTE, Mumbai, Maharashtra.

Direct Second Year of Engineering

- The students who have passed Diploma Course of Engineering or Technology with any branch from the Maharashtra State Board of Technical Education with minimum 50% marks and the students who have passed BSc with minimum 50% marks are qualified for the admission to Direct Second Year Engineering course.

Government Seats

Admission process for Government quota seats will be carried out as per the schedule declared by the Director Technical Education, (Maharashtra State) Mumbai from time to time. Students should refer the web site of Directorate of Technical Education, Maharashtra State www.dte.org.in

CODE OF CONDUCT

- A student must put in minimum attendance as prescribed by the S P Pune University for grant of terms.
- The students shall abide by the general rules given by the Director of Technical Education and as laid down by the college authorities from time to time.
- A student must wear college uniform in the college.
- A Student must appear for test examinations conducted by the college. This is part of continuous assessment.
- In all the matters, the Principal's decision will be final and binding on all the students.

TUITION FEES

As approved by Government of Maharashtra and other fees as prescribed by S P Pune University

*Fees is likely to be change as per the decision by Shikshan Shulk Samiti, Mumbai, Maharashtra state.

ANTI RAGGING CELL

Ragging is an offence in any form and is totally prohibited in and outside of the campus of S. B. Patil College of Engineering. This rule applies to the campus, hostels, college transportation and outside the institute's premises too. We want to ensure and are committed to create a "ragging free" institute, thus ensuring a serene atmosphere conducive to learning and growth.

We are committed to follow all regulations and guidelines formulated by the AICTE, DTE and S P Pune University with regard to a "ragging free atmosphere" for the young students to develop as good citizens.

Ragging is strictly prohibited as per law. Any student found convicted of an offence under the ordinance will be punished as per Maharashtra Prohibition Act of Ragging 1999 and as per the directives by hon'ble Supreme Court from time to time.

All the students admitted to college and staying in hostel are compulsory to fill the anti ragging undertaking form and submit to office, form duly signed by Student and parent.

WOMEN GRIEVANCE CELL

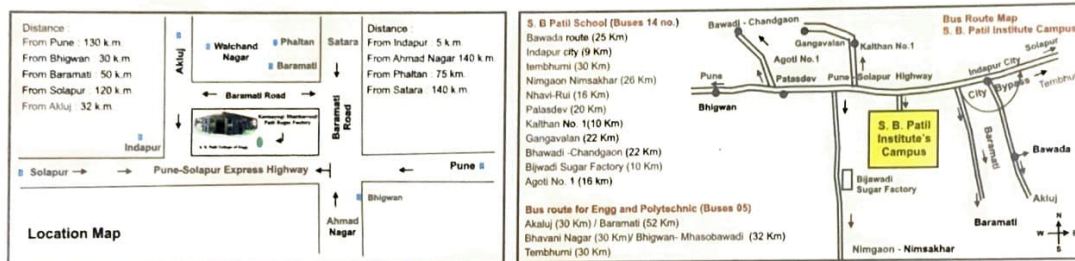

It is the part of our duty to clarify that the cell is basically meant for dealing with the problems of women on campus relating to sexual harassment and violence at the workplace. The cell will deal with cases / complaints of sexual harassment and any other type of harassment of the female students and staff of the college. The cell shall process all the individual complaints and take suitable action.

ALUMNI ASSOCIATION

Alumni associations exist to support the parent organization's goals, and to strengthen the ties between alumni, the community, and the parent. Alumni Association of SBPCOE was formed in 2016 and registered under Charity Commissioner of Pune with Registration. No-40481 on 13/12/2016. Total Alumni's of the SBPCOE is 1696. All students passing out of SBPCOE as members of the Alumni association. Annual General Meet is held Once in every year.

Smart choice:

INNOVATIVE interdisciplinary approach to learning across many fields of study.

OUTSTANDING faculty and academics, staff at the SBPCOE committed to excellence and quality.

RESEARCH DRIVEN education and interactive learning environment.

HANDS ON experience and real world applications through research work, exchange, and internships (required in the third year).

PERSONAL attention from and regular interaction with faculty experts.

INTERACTION with students, faculty and staff from various regions and across the world.

Guidance from career counselors and campus drives.

My four years in the undergraduate program at SBPCOE

have given me ample knowledge and experience.

At the time of graduation, I have been selected in eInfochips Pune through Placement."

Akshay Redekar
Branch: E&TC
Batch: 2014
System Engineer:
eInfochip pune

Our Institute:

SBPCOE's mission is to increase capacity for sustainable development in the rural region through educational programs and advanced research.

The Undergraduate Program contributes to this mission by educating a new generation of graduates to have the skills and knowledge necessary to pursue successful life-long careers in the practice and application of engineering. Technical knowledge is only one aspect of an engineer's career development.

What the ideal undergraduate experience can do besides providing a strong technical foundation is to prepare its graduates fully for the realities they will face in industry by exposing them to real world problems and industrial settings as early and often as possible. At SBPCOE, We strive to give every student that exposure.

SBPCOE aims at providing an enjoyable learning experience to its students throughout their entire tenure in the college.

In addition to their academics, students can participate in a wide variety of extra curricular activities in the field of arts & sports, and will receive institutional support to excel in those, at both learning as well as competitive stages.

Silent Features:

- ❖ Very good infrastructure and facilities along with senior and dedicated faculty
- ❖ Class rooms with advanced teaching aids like LCD Projectors.
- ❖ Each department have their Separate departmental library
- ❖ Competitive exam Cell
- ❖ Software for analysis as well as designing of projects
- ❖ Interaction of the students with the industries through industrial visit.
- ❖ Core-i3 computer are interconnected though network and equipped with licensed software
- ❖ Well Furnished and Equipped Computer Labs
- ❖ 40 MBPS Leased line internet facilities.
- ❖ UPS battery and Generator backup facility.

In my first year, we had a big group of students from Pune, Solpaur, Ahamadnagar, latur, satara and other districts. It was great to blend into such a multicultural environment. In later years, we specialized into respective branches focused on particular areas, and the interaction with our group mates and professors really helped develop our abilities."

Sagar Borade (Design Engineer, Bosch Nasik) From Ahamadnagar, Graduate of Engineering (specialization in Mechanical Engineering), Batch 2015

Facilities

- ❖ Consumer/Stationery store
- ❖ STD/ISD
- ❖ Generator backup
- ❖ Xerox Center
- ❖ Canteen
- ❖ Facility Center
- ❖ 4 Hour ATM
- ❖ Wi-Fi Campus
- ❖ Bus facility
- ❖ Mess
- ❖ RO Water
- ❖ Newspaper
- ❖ TV Room
- ❖ Water Heater

Sport Facilities

- ❖ Gymnasium
- ❖ Basketball court
- ❖ Football courts
- ❖ Volleyball courts
- ❖ TT Tables
- ❖ Chess Boards
- ❖ Cricket
- ❖ Carrom Boards

Hardik Pokiya
Asst. manager,
SN Bhole &
Associates
PVT Ltd Pune

Hello I'm Hardik Pokiya and I'm feeling proud to say that I've completed my engineering in civil from a prestigious and in demand college. I came Indapur in 2010 with hopes of getting my future in line and exactly happened same under guidance of Principal Dr. P.D Nemade and Professors of civil branch. I completed my engineering with ease, only because of the support and motivation I received from fellow classmates and teachers. I saw world from different perspective only because the teaching level made you to think about the subjects from professional and practical point. Passing out with not more flying colours and marks but due to the teaching environment which was more practical made me join one of the biggest companies in history of Structural engineering in India. It was SN Bhole & Associates PVT Ltd who saw the potential in me and hired me for the major projects. I've successfully design flyover in Pune under same company and now all three of them are in service. Feels proud to serve my country which was made possible by my college. I left from there while I was holding a package of more than 4 lakh as I've been successfully enrolled in Masters of International Business in Latrobe University, Melbourne, Australia.

Engineering Courses

Sr No	Undergraduate Courses	Intake	Code
1	Mechanical Engineering	60	631961210
2	Computer Engineering	60	631924510
3	Civil Engineering	60	631919110
4	Electronics & Telecommunication	60	631937210
5	Electrical Engineering	60	631929310
6	Mechanical Engineering(Direct Second Year)	60	631961280

Eligibility Criteria:

First Year Engineering:

- ❖ Passed the HSC (STD XII) examination of Maharashtra State Board of Secondary Education or equivalent examination with Physics, Mathematics and Chemistry and secured minimum 50% marks. (45% marks for Backward Class category candidates from Maharashtra only).
- ❖ Ranking obtained in CET/JEE conducted by the compe-tent authority of Government of Maharashtra.

Direct Second Year of Engineering

- ❖ The students who have passed Diploma Course of Engineering or Technology with branch from the Maharashtra State Board of Technical Education with minimum 50% marks are qualified for the admission to Direct Second Year Engineering course.

Admission Process

- ❖ Admission process for Government quota seats will be carried out as per the schedule declared by the Director Technial Education, Mumbai (Maharashtra State) from time to time. Students should refer the web site of Directorate of Technical Education, Maharashtra State www.dte.org.in

Documents Required for Engineering Admission

- ❖ SSC,HSC Mark sheet issued by Secondary and Higher Secondary Board.
- ❖ Leaving Certificate or Transfer Certificate issued by School/College.
- ❖ Domicile certificate , Income certificate of Father / Mother.
- ❖ Cast certificate ,Cast Validity Certificate for catogery student's
- ❖ Non Creamy Layer Certificate (for OBC, VJ/DT-NT(A), NT(B), NT(C), NT(D), SBC)
- ❖ CET/JEE Scorecard issued by competent Authority.
- ❖ Admit Letter issued by DTE, Mumbai.
- ❖ Any other Document prescribed by DTE Mumbai, MHT-CET brochure or the University from time to time.
