Subject: Event Report on Induction program for First Year Engineering Students of Academic Year 2021-22 held during 13th December 2021 to 18th December 2021.

Objectives of Event:

1. To enhance communication skills of FE students
2. To build confidence to present skills in front of audience
3. To introduce students with various human values and their inculcation in them through thinking and discussion.

Outcome of event:

1. Improvement in communication through English language.
2. Increase in confidence to represent on stage.
3. Positive change in attire, greeting, body language.

An induction program is a significant process for bringing students into the Institute & to provide an introduction to the working & curricular environment inside the institute. An induction program is intended to invoke the student to be an all round, integrated member of college. We believe that it is essential to understand, how to march towards goal of becoming quality engineer. Believing in this AICTE has recommended and instructed the Engineering colleges to conduct the Induction program for newly admitted students for academic year 2021-22.

SBPCOE conducted Six days online induction program with permission of our president Hon. ShriHarshwardhanjiPatilSaheb, Secretary Hon. Sou. Bhagyashritai Patil & trustee Miss. Ankita Patil under the able guidance of respected principal Dr. S.T. Shirkande

For the schedule& fulfillment of basic requirement for conduction of workshop FE H.O.D Dr. Y.P. Yadav event co-ordinator Prof. M.M. Kulkarni, Prof. Satpute V.B. Prof. Pradeep Taware, had taken enormous efforts.

Day 1:

In 1st day Program started with the dip prajwalan and lamp lightning, followed by a brief introduction of chief guest Dr. S.T. Shirkande sir. Then FE HOD Dr. Y.P. Yadav sir felicitated chief guest. Further in introductory speech FE HOD Dr. Y.P. Yadav told importance of Induction program and efforts taken by FE staff to groom the students.

Then Principal Dr. S.T. Shirkande sir guided students and suggested to learn things to become innovative and acquire skills required for employability.

At 9.30am Prof. Taware sir had conducted session on Yoga ,in which he has inculcate knowledge of Yoga and its important with students.

After yoga activity session of Civil engineering department HOD Prof. Ram Ghogare started his session on Opportunities for Civil engineer, in this session he has given all information related with civil department and about various job opportunities in government and private sector for civil engineering. In afternoon session Dr. Y. P. Yadav has conducted session of Human values, In which he has covered various parameter related with human values.

Day 2:

First session of 2nd day started with Yoga which is conducted by Prof. V.B. Satpute sir. Under this program students learnt various yog asanas and Pranayam. After this session Dr. S. G. Kolgiri HOD of Mechanical Department has given lecture of opportunities for mechanical engineer. In next session Prof. Sandeep Kamble training and placement officer has given speech about how to prepare for placement and various opportunities for engineer in corporate word. In last session Dr. Y. P. Yadav has conducted session on Human values.

In the final session was conducted on Indian Constitution by Prof. Khandu Paval

Day 3:

First session of 3rd day was taken by Prof. Pradeep Taware on pranayama from 9.30 to 10.30. Following this session second session was held by Prof. V.B. Satpute in which he touched various human values as love, gratitude, hard work their meaning and implementation in life.

Session 3rd of the same day was held by Prof. Pradeep Taware Head of the E& TC department in which he touched the points about the curriculum covered in course and future opportunities for students. Then next session was conducted by Prof. V.B. Satpute in which he told students about code of conduct for students in student life where he told about balance in behavior in campus, health maintainance and study . Final session of the day was held by Prof. Bansude in which he told students for making some posters on various topics students enjoyed it and participated activity with enthusiasm.

Day 4:

First session of day 4 was conducted by Prof. Taware, During session Prof. Taware taught the students various Pranayam and also in told the importance of walking in every ones life. Following the first session second session was conducted by Electrical HOD Prof. T.V. Deokar in which he gave a brief idea about opportunities in Electrical Engineering.

After a short break Dr. S.K. Jagadale held session on human values is which he touched the human values Daya, Kshama and shanti and also told disadvantages of anger. After lunch break along with Prof. Ram Ghogare some of the alumni interacted with the students and shared their experience.

Day 5:

Session 1st was again conducted by Prof. Taware in same fashion as previous. In second session Dean of Academics Prof. Vinay Nalawade gave a session on the opportunities in computer engineering which may help students in shaping their carrier.

After lunch break Prof. Satpute conducted a session on human values in which he discussed about professional ethics and behavior. In final session Prof. Sandeep Kamble along with some alumni interacted with the students of First year.

Day 6: Session 1st was conducted by Dr. Swati Babar on balanced diet. In second session Prof. S.A. Deshmukh explored the opportunities in R & D and also told students about harnessing Engineering knowledge for upliftment of society through R & D.

After a short break Prof. Firoz Shaikh discussed about improvement of English language through Reading, Writing and Speaking.

Overall students enjoyed the six days Induction program in which students interacted with various faculty staff members which may help them in shaping their carrier.
